

Corporate Committee Report

Corporate Committee

Introduction:

By establishing partnerships with firms in diverse industries to understand their talent requirements and providing relevant training to students. Internships and experiential learning opportunities to enable students to apply their knowledge in real- world settings are facilitated by our competent team. We strive to foster relationships with industry professionals to facilitate internships, mentoring, and networking opportunities for students. SBS Swiss Business School, RAK Campus, ensures that our students are well-prepared and positioned for successful careers in various industries. We are dedicated to helping students develop the necessary skills, knowledge, and utilize resources to be field-ready. Through collaborations with firms in diverse industries, we strive to secure immediate job placements for our students upon graduation. Corporate ties are established with renowned organizations to not only provide internships but technical support regarding the world of business and work as well. Corporate committee mainly focuses on the below student activities.

Company Visits

Company visits play a vital role in providing students with practical exposure to real-world workplaces. These visits allow students to observe firsthand how businesses operate, understand industry trends, and develop a deeper understanding of their future career paths. Organizing regular and diverse company visits ensures that students gain insights into various industries and work environments.

Internships

Internships are a critical component of a student's academic and professional development. They provide an opportunity to apply theoretical knowledge in real-world settings, gain practical skills, and build a professional network. The university forges partnerships with a wide range of companies and organizations to offer diverse and meaningful opportunities to students.

Placement Support

To secure employment upon graduation, the institution supports students in placement support. Thus, the provision of comprehensive career services, including resume building, interview preparation, and networking opportunities are exercises our students are engaged in to train.

Guest Lecturers

At SBS Swiss Business School, RAK Campus, we recognize the importance of providing our students with a comprehensive and well-rounded academic experience. One way we achieve this is by inviting guest lecturers who are industry experts and practitioners to share their valuable insights with our students. This report aims to highlight the significance of guest lectures in enhancing our students' academic journey and the efforts we make to diversify the pool of guest lecturers to ensure a broad range of perspectives and expertise.

Guest lectures serve as a bridge between academia and industry, offering students an opportunity to gain practical knowledge and insights from professionals who have hands-on experience in their respective fields. These industry experts bring real-world examples, case studies, and current industry trends into the classroom, making the learning process more relevant and applicable. By sharing their experiences and expertise, guest lecturers inspire and motivate students, providing them with a deeper understanding of the subject matter.

Committee Structure

The University Placements and Internships Committee members are nominated each academic year and operates with the following structure:

President	Mr. Obed Asamoah
Vice President	Ms. Fazeen Taj
Class Representatives	Abdullah Farah, Varun Parayil, Aimal Iqbal, Ahmed Sy, Gulnara T.

Functions

The committee focuses on establishing and maintaining relationships with corporate partners and industry professionals to create internship and employment opportunities for students. Below are some functions of the Corporate Committee:

- To develop linkages in the industry
- To facilitate students for internships and job placements
- To arrange and invite guest lectures who provide opportunities for networking to faculty & student members
- To have a continuous interaction with the industry to understand the required skills and competencies that needs to be incorporated in the programs.
- To understand the requirements to develop curriculum design and programs.
- To provide opportunities for employees of the corporate to be a part of lifelong learning

Industry Collaborations

Partnerships are established between organizations and SBS Swiss Business School, RAK Campus, through the committee's activities. This involves identifying potential employers, building relationships with industry professionals, and fostering connections to create internship and job opportunities for students.

To foster partnerships with the corporate sector and support lifelong learning for employees, SBS Swiss Business School, RAK Campus, provides corporate discount programs to demonstrate the university's commitment. By offering this benefit, the university aims to contribute to the professional growth and success of individuals while forging stronger connections with organizations in the business community.

Corporate Partner Selection Criteria

This Corporate Relations Policy informs on the guidelines and procedures for establishing and managing partnerships with corporate organizations. This policy ensures that partnerships are selected, managed, monitored, and reviewed effectively to benefit the university, its students, and corporate partners.

Corporate partners are selected based on their alignment with institution's mission, values, and academic programs. Partners are expected to show commitment to quality, ethical practices, and a positive impact on students' academic and professional growth. The following steps are we are keen on.

- Head office of the company to be based in UAE.
- Semi- government/ private sector with 500+ employees
- Agreement / email
- Accessibility

Formal partnership agreements are established for each corporate partnership. The agreement outlines the roles, responsibilities, and expectations of both the university and the corporate partner.

Partnerships are designed to enhance students' academic experiences by providing opportunities for internships, guest lectures, among others. Through corporate partnerships students are offered mentoring, networking, and skill-building opportunities to support students' professional development, such as workshops, seminars, and career counselling sessions.

SBS Swiss Business School, RAK Campus has a corporate tie-up policy, the policy says that any company with an employee size of 500+ staffs. The employees joining from this companies will get a flat AED 3,000 discount on the total fees.
