Sports Committee

September, 2022

Introduction:

The Sports Committee plays a vital role in promoting sports and physical activities within the university, fostering a healthy and active lifestyle among students, faculty, and staff. This report will cover the committee structure, roles and responsibilities, and the reporting process.

It is imperative to understand first what the sports committee represents. The University Sports Committee is committed to promoting Sports and Physical activities among the university community. It strives to create an inclusive and supportive environment that motivates individuals to engage in regular exercise, leading to improved physical and mental well-being.

Committee Structure:

The SBS Swiss Business School RAK Campus Sports Committee comprises professionals who operates with the following structure:

President	Mr. Jaison James
Vice President	Mr. Mohammed Abdul Nadeem
Student Council Members	Mr. Richard Bart (President), Mr. Joel Thomas (Vice), and Mr. Abdullah Imdad (Secretary)

The committee members are nominated considering variables such as competence for each academic year to provide leadership and guidance to the committee, coordinate committee meetings and set agendas, liaise with the university administration and other relevant stakeholders, and oversee the implementation of committee initiatives.

Functions:

The committee is responsible variety of campus activities including the following:

- Organizing various sports events, tournaments, and competitions throughout the academic year. These events provide opportunities for students to showcase their athletic abilities, foster healthy competition, and promote teamwork and sportsmanship.
- It ensures the availability and maintenance of sports facilities, equipment, and resources. It works closely with the university administration to allocate adequate resources for the development, upkeep, and enhancement of sports infrastructure, ensuring a safe and conducive environment for sporting activities.
- Also, the committee supports and nurtures the talents of university athletes and sports teams. It provides guidance, mentorship, and necessary resources to help athletes excel in their respective sports disciplines, at the university level
- The committee endeavours to create a vibrant sports culture within the university community. It promotes the values of fair play, sportsmanship, teamwork, and discipline among all participants.

Reporting:

The University Sports Committee maintains a systematic reporting process to ensure transparency and accountability in its activities. Regular reporting is crucial for tracking progress, evaluating the effectiveness of initiatives, and identifying areas for improvement. The committee follows the following reporting procedures:

The committee prepares a report of the events and its performance at the end of academic year and submits the same to the Head of Operations for review and take necessary actions for improvement.

Summary of activities:

Activity	When Conducted	Participants	Feedback Tool	Good Practices	Areas of Improvement
Soccer Basket ball Billiards	2023 - 2024 Academic Year	35 students	Observation and Questionnaire	<p>1. Health - Sports day is to encourage students to stay healthy. Sports help improve mental and physical health.</p> <p>2. Team Building and Leadership Skills - Leading a team students with their decision-making skills and gives them experience of supporting others.</p>	<p>1. Timing</p> <p>2. 2.Sports Coordinators</p> <p>3. 3. Sports equipment and facilities</p> <p>4. Motivation and reward system</p>

Action Plan:

In the ensuing academic year, the committee intends to take the following steps to improve sports activities for the university after considering the feedback on previous activities.

Action Plan	Responsible	Timeline
Enhance Event Planning and Practice Sessions: improve the scheduling of events to allow adequate preparation time. Establish a structured event planning process that includes timelines, checklists, and clear communication channels. Conduct regular meetings with the Sports Coordinators to ensure effective coordination and preparation for each event.	Mr. Jaison James Mr. Richard	2025-2026 Academic Year
Improve Support and Encouragement for Participants: Provide training sessions or workshops for Sports Coordinators to enhance their skills in encouraging and supporting participants. Implement an award or recognition system to acknowledge outstanding performances and sportsmanship during events.	Mohammed Adul Nadeem, Mr. Joel	2025-2026 Academic Year
Focus on Sports Equipment and Facility Maintenance: Conduct regular inspections of sports equipment and facilities to identify maintenance needs promptly. Collaborate with the university administration to allocate necessary resources for the upkeep and enhancement of sports infrastructure. Establish a feedback mechanism for students to report any issues or suggestions regarding sports equipment and facilities.	Mr. Jaison James Mr. Richard	2025-2026 Academic Year
Enhance Refreshment Services during Events: Evaluate the feedback received regarding refreshment provision and work towards addressing any concerns or gaps. Collaborate with food services or catering providers to ensure an adequate and varied refreshment offering during events. Consider the preferences and dietary requirements of participants when planning refreshment options	Mohammed Abdul Nadeem Mr. Richard	2025-2026 Academic Year
